# St. Catherine's Military Academy

*A Catholic School with a Military Tradition / Leadership · Scholarship · Citizenship*

---

Dear Friends,

I felt it the first time I walked onto this campus—energy and enthusiasm like no other. That's because St. Catherine's runs on hearts—*the hearts of all of you*—our cadets, Sisters, teachers, staff, alumni, parents, and friends. Each and every one of you believes in the mission of St. Catherine's, and you share your energy, support, and prayers with our school community.

**From the bottom of my heart, I thank you for all you do for our school family.  
Without you, St. Catherine's would not be the outstanding school that it is today.**

Everything you put in—from your heart—helps St. Catherine's to form the hearts of our young men...

Hearts of curiosity, dedicated to lifelong learning  
Hearts of faith, steadfast in a challenging world  
Hearts of service, devoted to helping others  
Hearts of honor, committed to personal integrity

Our 2009 Annual Campaign goal is to raise \$100,000. Tuition alone does not cover the full cost of education—the Annual Campaign supports the difference. I understand that the current economic climate has been financially challenging. At times like these, St. Catherine's and our cadets need your support more than ever.

**All gifts, no matter the size, make a difference.  
When we each give what we can, the impact is immeasurable.**

We all know that St. Catherine's is a special place with an incredible mission. Today we pray that you will give from your heart to support St. Catherine's Military Academy as we continue our 120-year legacy.

God bless you!

With a grateful heart,

Sister Johnellen Turner, OP  
Administrator/Principal
